HW/Ext

Developing

1. **Ben has more than May, who has more than Ella.**

2.

31	29	34	30
32	**35**	**37**	21
17	21	**38**	**39**

3. **Rohan is incorrect because he needs to stand before Ava; 49 is more than 46, 46 is more than 42.**

Expected

4. **Max > Jude > Mia**

5.

17	**19**	**25**	24	21
16	12	**32**	31	37
36	29	**37**	28	17
42	26	**39**	**46**	**49**

6. **Neesha is correct because 19 < 25 < 27 < 32.**

Greater Depth

7. **Tim < Ava < Neesha**

8.

twenty-six	14	27	nineteen	30 + 6
28	**thirty-one**	**30 + 7**	**42**	22
20 + 1	1 ten and 7 ones	thirty-four	**46**	**40 + 8**
twenty	32	twenty-three	40 + 1	**5 tens**

9. **Jemma is incorrect because she needs to stand between Zach and Rosa; 20 + 1 < thirty-two < forty-one < 40 + 6.**
