30th April 2021

Dear Parents/Carers,

Due to the unfortunate cancellation of Laches Wood, we are delighted to be able to offer a day of water sports at Astbury Water Sports Centre with Peak Pursuits on Wednesday 9th June.

Peak Pursuits is an outdoor education provider founded in 2000; they now have six centres in the local area, including Audley Climbing Centre. They have a team of fun, enthusiastic and highly qualified individuals who are experienced in providing outdoor and adventurous activities to school groups.

During the day, the children will take part in kayaking, paddleboarding and raft-building.

The cost for the day, including coach, will be £32.32. As you know, we always ask for a voluntary contribution to help offset the cost. Unfortunately, if this voluntary contribution is not forthcoming then the water sports day will not be able to take place. Please send payment and grant consent via ParentMail.

The children will need to bring the following items with them:

- a packed lunch and additional snacks for the day;
- a filled plastic water bottle
- shoes which can be used in water (these could be proper water shoes or old trainers);
- warm clothing;
- waterproof coat;
- a full change of clothes in a rucksack or backpack;
- sun lotion (depending on the weather).

If you have any questions or queries, please get in touch.

Yours sincerely,

Mr. D Hancock
Class Teacher
