

Reception Class Newsletter

Key ring words

Some of the children are showing signs that they are ready to start to learn our key ring words. We will be sending them out shortly. The words are a mixture of green words (which can be Fredded) and red words (which are recognisable by shape). We call the red words "tricky words" and encourage the children to stop and think so they don't get caught out.

Key ring words should be returned to school on Wednesday in Homework folders so that new ones can be added to send on Friday.

Please do not compare your child to another. Starting reading is a big step and reading readiness is different for all children.

We have had another busy week in Reception. The have been hearing and saying sounds in words. They have been trying hard to record a list of ingredients for silly soup.

In RWInc, we looked closely at the sound and formation of k, u, and b. The children have enjoyed playing "Dragon's Den" and "Super Smoothie". Try the website below for free phase 1 and phase 2 activities.

Have a great half term break,

*Mrs Cheadle, Mrs Thompson
and Miss Kirby*

The children loved going for our "Welly Walk" along Merelake Way. They were so sensible and followed our safety rules carefully. We found lots of autumn objects and we have used them to create colourful rubbings and autumn collages back at base.

A big thank you to all the adult helpers, your support was very much appreciated!

Super stars

Congratulations to Beatrix and Oliver who are our stars of the week. Keep up the hard work!

Well done to Lucy and Ewan who are all our VIP's this week. Fantastic manners!

Baby photographs

A special request from Mrs Ling this week, could all children bring a photograph of themselves as a baby after half term. The photograph will be used in school to form a piece of work/display. The photographs will not be returned so please make sure it is not your only copy.
