

Reception Class Newsletter

Super stars

Well done Oakley and Leo M who are our stars of the week.

Another fantastic week by 'Team Reception!'

This week our role play area saw the arrival of class pets Daisy (the puppy), Rosie (the cat) and three fish. We made lists of what items we would need to put into the role play area to look after our new pets. Following their arrival I am sorry to say that our pets then became very poorly, having to make frequent visits to the 'pop-up vets'. Here they were joined by a large election of poorly animals all waiting to be treated. Luckily we had lots of experts on hand to make them better. Our vets were able to write prescriptions, fill out record cards and of course send out bills! We have all done some super writing this week about pets too. We are so proud of how independent the children are becoming in their writing.

Please look out for missing items of PE kit that belong to Lola and Ben. They have to be somewhere and they are not at school!

As you will have seen from Seesaw we had some wonderful collaborative learning going on this week as different groups of children worked together building a movie stage, making popcorn and tickets, pouring drinks and even providing some entertainment. It was a lovely example of the children learning through their play and applying skills from different areas. Then of course there was all that tidying up afterwards which called for more super team work. It reminded me of why I love my job so much and what a wonderful place the reception classroom is.

Creative area resources

We are always grateful for boxes, tubes (not toilet roll tubes), packets, clean plastic tubs, paper or gift bags etc. that we can use in our creative area.

Keep sending flowers before you bin them too!
