Zoo2U Class Workshop

Dear Parents and Carers,

On Monday 24th May, local company Zoo2U will be coming to school to run one of their fantastic workshops for us. The theme of the workshop will be based around the topic of life cycles and living things, which supports our Science learning in Year 5.

The cost of the hour long session is £2.74 per child which can be paid through your child's ParentMail account.

During the visit, strict COVID-19 and health and safety procedures will be adhered to and the necessary risk assessments carried out.

Many thanks,

Miss A McArdle
Year 5 Class Teacher
