Spaceport – Tuesday 7th March 2016

Dear Parents/Carers

As part of our topic this term, Year 1 will be visiting Spaceport to help us gain an understanding of space travel and the Solar System. We will be taking part in a rocket launching workshop as well as exploring many of the interactive exhibitions on display. This will help us to develop an understanding of life as an astronaut and support our learning about Space.

To ensure that we make the most of our day the children will **need to be in school for 8.30am** and should be back for 3.15pm.

As your child is entitled to a universal free school meal the school can provide a packed lunch but please would you inform us on the slip below or by emailing the school office by Wednesday 1st March 2016. If you do not wish the school to provide a packed lunch, then please can you provide this with a drink in a plastic bag that can be thrown away. No glass bottles or fizzy drinks please.

The children will need to wear their school uniform and suitable footwear. As there is a short walk from the coach the children will need to wear a suitable coat for the weather on the day.

The cost of the visit is £16.50 in total, £10.00 to cover the travel costs and £6.50 for the activities at Spaceport. As you know, we always ask for a voluntary contribution to help offset the cost of transport and admission fees. Unfortunately, if this voluntary contribution is not forthcoming then the visit will not be able to take place.

We are all looking forward to this great experience.

Please complete the permission slip below and return to school with the appropriate money by 3rd March 2017 or pay and grant permission on ParentmailPMX.

Yours sincerely

Miss C Robinson
Class Teacher
