

3rd March 2023

Excalibur Primary School

Term: Spring 2 Week: One

Reception Class Newsletter

Some of our learning this week has been based around the story of Little Red Riding Hood. The children have enjoyed listening to lots of different versions and comparing how they are similar and different. Next week, we shall be basing some of our learning around 'Goldilocks and the Three Bears'. Look out for an email about porridge tasting. For part of our maths learning this week, we were finding pairs of objects. If you are out and about this weekend, see what pairs of objects you and your child can spot. You are welcome to upload them to Seesaw so we can share them.

Water bottles

Could we politely ask that you put water into your child's bottle and not juice. As is often the case with young children, the contents sometimes get spilled on the carpet and this has begun to leave a number of stains. If you only give your child juice and they spill the contents or wish to replenish it, we can only offer filtered water. During the very hot weather last year, we sometimes had to refill the bottles 2 or 3 times in a day to keep the children hydrated. It's in their best interests that they get used to drinking water. Thank you for your understanding. It is fine for the children to bring juice in as part of a packed lunch.

On Wednesday, we visited our school library and the children all chose a reading for pleasure book to bring home to share with you. If you can, these books need returning on a Wednesday so they can be swapped. They have an Excalibur Library sticker on the back.

Super stars

Our stars today are Harry and Lucy

Congratulations!

Mystery Readers

Many thanks to Daniel's Mum and Ed's Dad who came to read us a story this week. Thank you both for your time.

Dates Ahead:

29th March – Reception 'Once Upon a Time' Ball (dress as a king/prince/princess/queen/knight for the day - details to follow soon)

Have a wonderful weekend,

Mrs Rogers, Miss Morrey, Mrs Thompson and Mrs Bebbington
