

10th March 2023

Excalibur Primary School

Term: Spring 2 Week: Two

Reception Class Newsletter

Some of our learning this week has been based around the story of Goldilocks. The children have enjoyed listening to lots of different versions and comparing how they are similar and different. They have really enjoyed acting out the story using props. The porridge tasting and bed making investigations which you may have seen on Seesaw this week were also popular. Next week we will be reading 'The Three Little Pigs' and 'The Three Billy Goats Gruff'.

Social Media

Could we politely remind you not to repost the photographs and videos that we put on Seesaw on your social media accounts? When the school shares images on social media we ensure that we only use children whose parents have given their consent for them to be shared in this way or we obscure any children whom we do not have consent for. Thank you for your support with this.

Parents Evenings

We look forward to meeting with you in the next couple of weeks to discuss your child. We are so proud of everyone in the class and the progress they have made. You will get to look through your child's yellow book which captures some of their learning. However, as you will appreciate, a lot of your child's learning is play based. We also use Seesaw to share your child's learning with you. You will also be able to see the reception learning environment too.

Super stars

Our stars today are Elliot and Lottie

Congratulations!

Mystery Readers

Many thanks to Amelie's Mum who came to read us a story this week. Thank you for your time
