

21<sup>st</sup> April 2023

Excalibur Primary School

Term: Summer 1 Week: One

## Reception Class Newsletter

Spring is in the air and we have been busy in Reception this week thinking about growing seeds. We worked together in our groups to decide the correct sequence for planting a seed. We are going to test our sequences out next week to check they are right. After listening to the story of 'Jack and the Beanstalk' we have been working on our own class book called 'Reception and the Beanstalk'. We have been imagining what else could be at the top of a beanstalk as we worked either on our own or collaboratively to record our ideas. We then took photographs of any models that were made and wrote captions to go into our book alongside any drawings that were done. We have been noticing the signs of spring and enjoying the warmer weather when playing outside.

**Read Write Inc.**  
Phonics

Everyone has been working very hard this week in their new groups. If your child has moved colour level their new books will be coming home on Monday.

In the coming weeks we will be planting up the tyres and some pots in our outdoor area. If you are able to donate any plants, compost or seeds to help us with this we would be very grateful.

### Super stars

Our stars today are Myles and Minnie

**Congratulations!**

### Dates Ahead:

**5<sup>th</sup> May:** Coronation celebration party (details to follow soon)

**17<sup>th</sup> May:** Veterinary nurse visit (tbc)

**23<sup>rd</sup>/25<sup>th</sup> May:** Dogs Trust workshops and assembly

**Thursday 8<sup>th</sup> June:** Reception Class trip to Runway Visitor Centre, Manchester Airport (details to follow soon)

Wishing all our families a wonderful weekend.

Mrs Rogers, Miss Morreu, Mrs Thompson and Mrs Bebbington
