

Welcome to Excalibur Primary School

You will soon be coming to Excalibur Primary School. It's a great place to be and we can't wait for you to come and see us. You are going to have such a lovely time here and make lots of new friends.

We want to tell you a little bit about some of the wonderful things you will be able to do in our Reception class.

Here are some of our favourite things...

The School Day

You can come into school at 8.50 am, that's when we open the door to let you in. We take the register at 9 am and check who is here.

There will be an activity for you to do when you arrive. When everyone is ready, our day will begin.

School finishes at 3.20 pm. You might go straight home or you might go to our special after school club called Treetops, until it's time for your grown-up to collect you.

We are always busy at school. There's always so much to do!

What will be your favourite thing to do?

Playing in the sand or water?

Building with bricks, Lego or Duplo?

Cutting, sticking, making or drawing?

Number play?

Getting messy?

Jigsaws, puzzles and games?

Singing and dancing?

Playdough?

Playing in the home corner?

Creating in our outdoor kitchen?

Sharing a story in our book corner?

Riding the taxi bike or scooters?

Phew! That's a lot to keep us busy and it's not all that we do!

PE

Do you know what PE is? In PE we run, jump, climb, bend and stretch. Sometimes we go into our big hall where we have lots of space or we might go outside. We use lots of different body parts. Do you know the names of the different parts of your body?

When we have PE we wear special PE clothes and trainers on our feet. You can come to school wearing your special PE clothes on our PE days.

Outdoor Classroom

This is our outdoor classroom. We can come outside even when it's raining as it has a roof. We have lots of things for you to build and play with. You will find our sand and water out here too.

What will you do out here?

Food and Drink

You can bring a healthy snack from home to eat in the morning.

At lunchtime we will go into our school hall to eat. You can have a school dinner or bring one from home. Each day there are two different dinners to choose from.

In the afternoon, you can have some milk to drink if you want to and some fruit. Sometimes we might have other things to eat that we have made in school that day.

You will need to bring a water bottle from home every day that has tap water in it. We have a special water fountain where you can refill your bottle.

Playing Outside

We have a big outdoor space to play and lots of equipment to climb on. We also have some things that you can play with outside like bats, balls and hoops and chalk. At lunchtime there is more equipment like dressing up clothes and cars that you can play with when you are outside. There are always grown-ups to look after you when you are outside.

We hope that you enjoyed reading this and that you are ready to come and find out more about your new school.

See you soon,

Mrs Rogers and Mrs Bailey
