

YEAR 6/RECEPTION

Classes Raced in a

Made-Up Course

and Played Tennis

Reported by Harrison in Year 6 | Published June 12th 2023

Excalibur reception children have completed a multi-course set up by Year 6 students. It was friendly and gave the children a happy, exciting occasion since it was Sports Week (a time to do sports). On this joyous occasion, year 6 created activities for nine sports, including: football, rounders, tennis and more. Also on the 12th of June, KS2 practised tennis on a hot, sunny day. The tennis training was full of many challenges testing their tennis skills and gave them an enjoyable time.

A Year 6 student said, "It was enjoyable." More students said the same thing.

Throughout the week, more mind-blowing events will pop up and surprise students in Sports Week.
