Instructions

Questions and Answers

In this booklet, there are different types of question for you to answer in different ways.

The space for your answer shows you what type of writing is needed. For some questions you do not need to write anything at all but should tick, draw lines to, or put a ring around your answer.

Practice Questions

Read the information below.

Get your running shoes ready – it's time for the Fallton Primary School Sports Fun Day! This will take place on Thursday 11th June on the school sports field.

The events

There will be five fantastic sports events: a 100m race, a relay race, a high jump competition, an egg-and-spoon race and a hula-hoop competition. For each event the first prize winner will receive a medal, the second prize winner will receive a certificate, the third prize winner will receive a badge and the most enthusiastic pupils will get special stickers.

Find out more...

You can sign up for as many events as you want. The sign-up sheets will be displayed in the library and the hall.

Now try these practice questions.
These questions will not be marked.

Choose the best group of words to fit the sentence and put a ring around your choice.

Don't miss!

Remarkable reptiles

Meet and greet some of Sunrise's scaly residents. You'll have the opportunity to learn about lizards and snakes, including fantastic facts about their lifestyles and habitats, and what you can do to help protect them. You might even get the chance to hold them!

Planning your journey

Sunrise Zoo is easy to reach by road or rail. Why not help us to protect the environment by taking a greener mode of transport? We have our own shuttle bus that is driven between the zoo and the train station. The free shuttle runs every 15 minutes between 9.30am and 5.30pm. If you are travelling by car our address is: Redtree Road, Yorkshire. YS5 9AY.

SUNRISE ZOO

Our mission

We have a very important mission, to protect ENDANGERED animals and prevent EXTINCTION.

We do this in two ways:

Education:
At the zoo you can learn all about endangered species and what we're doing to help them. Take a look at the information signs by the animal enclosures or pick up a free audio guide at the ticket booths.

Special Projects:
We're always raising money to fund our special projects, like building elephant reserves in India or protecting gorillas in Rwanda. And you're helping! The money you spend here helps to pay for our projects. Thank you!
