Reception Class Newsletter

We have loved our story of the week 'Billy's Bucket'. We have used our imaginations to think of unusual objects that we would like to find if we had a magical bucket like Billy. This has led to some super creative writing and some mini books of our own. We had the new reception children visiting us for their second visit this week and again the children really stepped up to take care of them and show them how to be a reception superstar! Comparing them to the new starters really shows us how much they have grown and although we hate to admit it, how ready they are for year 1.

Nest week we will move onto pirate stories ready for our pirate party day on Thursday 20th.

Reading Books

Keep going with the reading. You are doing a fantastic job. Next Wednesday will be our last visit to the library, but we will still send books from our class library home on Monday and Friday next week.

ALL keyrings and books, including RWI books, will be collected on Monday 17th July. Please can you ensure you return them. The keyrings in particular are a big job to take apart and set up again for the next class. Now your children are well on their reading journey they no longer need the keyrings.
