

Excalibur Primary School

9th October 2023

Pre-school Class Newsletter

Term: Autumn 1 Week: six

Pre-school have been brilliant this week. They were very well behaved when we had OFSTED inspectors looking around the setting and observing what they were doing. The children certainly made us feel proud. Well done, everyone!

Excalibur Pre-school

This week, pre-school have enjoyed singing 'Hey Diddle, Diddle'. We laughed about the dish running away with the spoon! The children have been learning to hold and steer scissors to cut around pictures. Sometimes, they can get frustrated if the paper rips so practising snipping dough really helps. The children have done lots of free painting and have enjoyed watching the colours mix to make new ones. In our PSHE lesson, we looked at some of our family photos uploaded onto Seesaw. Remember it's not too late to send in a family picture if you have not yet had chance. We are encouraging the children to think about their own life story and family if obviously a very important part.

Polite reminder...

Excalibur Primary School is part of a healthy schools initiative so can we remind parents and carers that water bottles should be filled with water only. A few children are coming into pre-school with juice. If your children has a packed lunch, a drink of juice is fine to be added to a lunch bag as this is part of their meal. Drinking juice throughout the day can damage teeth. As parents, we know how challenging it can be to get our children to drink water. The children usually enjoy the novelty of filling the bottles at our drinks fountain. They are also encouraged to drink water by their peers.

Have a brilliant weekend and thank you for all your support so far!
