16th October 2023

Pre-school Class Newsletter

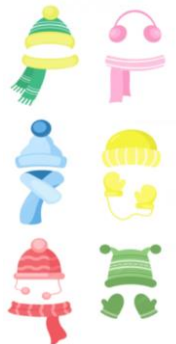

Term: Autumn 1 Week: seven

We can't believe how quickly the first half term has flown by! The Pre-school children have done so well to settle into a new setting and begin to form new friendships. We are so looking forward to next half term and will be planning some exciting activities to spark their imaginations and promote their love of learning.

This week, we have looked at the story of 'Each, Peach, Pear, Plum'. We have spent time talking about the different characters in the story and have noticed how some parts of the text rhymes. On Thursday, the Pre-school children enjoyed making their own plum pudding to enjoy. It was yummy!

It has been quite frosty this week and some children have complained of cold hands. As the weather gets colder, the children will start to need their hats, scarves and gloves in school. We try and get outdoors as much as we can because the children love to explore our various outdoor areas. Please remember to label all gloves, hats and scarves so that we can make sure they're not lost.

After half term, we will endeavour to change into our full PE kit. Pre-school children (who attend on Wednesdays) will need to bring shorts, a t-shirt and pumps or trainers. At the moment, the children have just been changing into PE shoes for 'Music & Movement'. Please ask if you have any questions.

Excalibur Pre-school

Have a brilliant half term holiday and we will see you back at Pre-school soon!

Mrs Cheadle, Miss Duamore and Miss Bebbington
