11th December 2023

Pre-school Weekly Newsletter

Term: Autumn 2 Week: seven

The pre-schoolers have had another exciting week which has flown by!

The chocolate calendar is being enjoyed by our special helper each day. The children have been patiently waiting for their turn so we're checking our list twice to make sure everyone gets their turn!

EYFS Nativity

This week, we have been busy practicing our Nativity songs and preparing for our Nativity. The children were excited to change into their outfits and perform for their adults. We hope you got to see it! Don't worry if your little one was teary. It is natural for them to feel overwhelmed.

A Christmas cards

We now have our post box in the classroom so if your pre-school child wants to send cards to their pre-school friends, they can bring them in. See Seesaw post for the children's names.

Christmas activities

This week, we have been busy making Christmas cards, party hats, decorations and enjoying some Christmas songs like the 'Dancing Christmas Tree'. We will continue of Christmas crafts next week.

Reminders...

Monday 18th December – EYFS Christmas Party and Elf Run.

The pre-school children will take part in the Elf Run in the morning so we have more time for our party in the afternoon. See separate letter for further details about the Elf Run.

The EYFS party will involve Reception and Pre-school children. We will meet the Reception children in the hall for party games and disco dancing. We will then have a small tea party back in the classroom. I am sure we will have a great time!

Number Time

This week, we have continued to explore number two. We sang 'One two buckle my shoe'. The children sorted 'two' and 'not two'. We looked at two counters on our five frame and on a dice face. The children were encouraged to quickly show two fingers in response to two objects.

Excalibur Pre-school

Have a brilliant weekend!

Mrs Cheadle, Miss Dugmore and Miss Bebbington
