

2<sup>nd</sup> March 2018

Excalibur Primary School

Term: Spring 2 Week: one

## Reception Class Newsletter

This week, the traditional story of "Little Red Riding Hood" helped fuel our learning activities. The children have listened to several different versions and we have discussed how they were similar and how they were different.

In maths, we have been using number lines to count on to add a given amount. We have also been counting small objects to consolidate the children's one to one correspondence. We have been talking about the birthday months, days of the week and the seasons.

Guided reading has continued this week and the children were all excited to share the chosen text with their new group. New reading days can be seen in planners. Please remember to send in key ring words on this day so that words can be practised and new words added if needed.

In RWInc, some of the children have had a change of group. This is nothing to be concerned about as some children need more practise to consolidate their learning, whilst others are ready to learn something new.

### Super homework

We really enjoyed sharing the holiday homework this week. There were some brilliant ideas for projects to share. The children were proud to show their results. If your child did not have time to make their project over the half term break you are welcome to send one in next week. *Many thanks for your support.*

*A warm welcome back to new half term!*  
*From,*

*Mrs Rogers, Mrs Cheadle, Mrs Thompson and Miss Lewington*

### Mystery Reader

Sam's mum came to be our mystery reader. She read a Julia Donaldson's story, "The Smartest Giant in Town". *Many thanks for giving your time to share stories!*

### Super stars

Well done to Jacob and Emma who are our stars of the week.

Keep it up!

Joseph S. and Evie were our VIP children at lunch today. Super manners!
