

## Homework

25<sup>th</sup> May 2018

When we start back after the break we launch our new topic "Beside the sea". The children will be finding out about pirates and other seaside adventures.

Please choose one of the following for homework over the holidays:

- Build a model pirate ship
- Design and make a treasure map
- Find out about real pirates and make a fact file
- Design a new pirate character and add labels
- Make up and write your own pirate story and add illustrations
- Create a pirate collage

We look forward to sharing the finished results during show and tell.

*Have fun!*

*Mrs Cheadle, Mrs Rogers, Mrs Thompson and Miss Lewington*
