

14<sup>th</sup> December 2018

Excalibur Primary School

Term: Autumn 2 Week: six

## Reception Class Newsletter

This week, we have been busy practising for our infant performance of "Hey Ewe!". The children loved the opportunity to perform for their families. They were extremely brave to join in and show their marvellous shepherd and sheep hoedown. We hope you enjoyed the performance if you were lucky enough to join us and many thanks for providing such fabulous costumes, they all looked amazing!

On Tuesday, the whole school took part in our "Reindeer Run" in support of St Luke's Hospice. Everyone wore their red noses and antlers as they ran/walked. We did so many laps we lost count! (If you decided to join in with the sponsored side of the event the forms and donations need to be in by next Tuesday).

The children have been enjoying a "Santa's workshop" area in the classroom. This has provided the opportunity for writing letters to Santa, making and decorating toys, wrapping presents, creating Christmas cards and packing the sack for Christmas day. The children have also been busy creating Christmas angels to decorate the classroom.

In maths, we have been using tooth picks and marshmallows to create 2D and 3D shapes. The children enjoyed the challenge of trying to construct recognisable shapes as well as houses, towers, kites and windows!

On Friday, the children were invited to wear their Christmas jumpers to support Save the Children. They all looked fantastically festive. *Many thanks for your support!*

### Christmas Post

Keep sending in your Christmas cards. The children have loved receiving the ones given out so far.

### Super stars

Well done to Oliver and Kai who are our stars of the week. Fantastic effort!

Well done to Finnley and Elliot who are VIP's this week. Keep up the super manners!

*Enjoy the weekend,*

*Mrs Rogers, Mrs Cheadle, Mrs Thompson, Mrs Brooker and Miss Lewington ☺*
