

15th March 2019

Excalibur Primary School

Term: Spring 2 Week: three

Reception Class Newsletter

This week, we moved on to the story of 'The Three Little Pigs'. We received a letter from the wolf explaining he had turned over a new leaf and he needed our help. We decided to write letters on his behalf apologising for his unkind ways or we wrote directly to him offering our advice. The children had lots of fantastic ideas.

We watched an episode of the CBeebies programme 'Come Outside' and found out how bricks were made. Sadly, the programme is no longer shown on CBeebies but can be found on YouTube. Following on from that, we looked at how to lay bricks to give the strongest wall. There was lots of huffing and puffing during the testing!

Much of our week has been spent preparing for our Sharing Assembly. The children have been sharing their lines using the microphone, holding up props and joining in with the assembly songs. They were all very excited about sharing some of their learning with their adults and the rest of the school. We hope that you were able to make the performance and were proud of their efforts. It can be very scary speaking in front of a large audience!

In PE, we continued learning how to dribble a ball. Mr Hancock came in to watch us and was very impressed with our future basketballers!

Next week - Please could you send in a medium sized cereal box. Please send in by Wednesday if you can. Many thanks.

Science Activities

Reception joined in with the rest of the school as we celebrated National Science Week. The children took part in a selection of Science activities. They watched a range of experiments which were based around flight and movement. Miss Robinson came to work with us on Thursday as we investigated rolling.

Super stars

We didn't have our usual celebration assembly due to the Reception assembly this week. We think all of the Reception children are stars this week after their super performance. Well done!

Mystery Reader

Elliot's mum and Freddie R's mum both recently visited us to be mystery readers.

Many thanks to you both for your time!

Have a lovely weekend,

Mrs Rogers, Mrs Cheadle,

Mrs Thompson, Mrs Brooker and Miss Lewington
