29th March 2019

Dear Parents/Carers,

Staffing update

I am writing to share a couple of staffing updates with you.

Miss McArdle returns from maternity leave after May half term. She will be in school on Friday 24th May to spend time with Year 5 and to get ready for her return.

Miss Taylor is expecting a baby in August. I am sure you will join me in offering her your congratulations. She intends to complete the academic year with Year 4 and will commence her maternity leave during the summer holidays. We are in the process of recruiting for her maternity leave.

As usual, staffing for the academic year from September 2019 will be confirmed and communicated to you around June time.

Yours Sincerely,

Lise Houldsworth
Head Teacher
