

5th April 2019

Excalibur Primary School

Term: Spring 2 Week: six

Reception Class Newsletter

The children spent the first part of the week preparing for our 'Once upon a time Ball.' They recorded invitations to one another, they visited the royal kitchen to make and bake jam tarts. Everyone looked amazing on the day of the ball. Thank you so much for your efforts providing costumes and posh party clothes. Great fun was had by all!

Easter was another focus for our learning this week. The children have been busy making and writing their Easter cards and making some yummy Easter nests. We shared how we celebrate Easter with our families and why the Easter story is important to Christians. We also enjoyed watching the KS2 children perform their Easter assembly and helped to sing the Easter songs.

We concluded our traditional tales topic with more stories such as Jack and the Beanstalk. The children took part in some themed challenges such as filling the giant's golden eggs with as many cubes as possible, helping the giant to write 'keep out' signs to Jack and trying to pick up magic golden beans with tweezers, which is a lot harder than it sounds!

The children also had a circle time about medicines and who should give us medicine and what it's for and when it's ok to take medicine.

There are no stars or VIP's this week due to the Key Stage Two Easter assembly

We think everyone is a superstar!

Hope you have a wonderful Easter break with your families,

*Mrs Cheadle, Mrs Rogers, Mrs Thompson,
Mrs Brooker and Miss Lewington*

Parent's Evening

It was lovely to meet everyone during our recent consultation evenings. It was also wonderful to hear how much your children love school. Many thanks for your very positive comments! *If you have further questions or concerns please feel free to come and ask.*
