Newsletter 12

Dear Parents/Carers,

As we move further into the summer term, things are getting very active in school with lots of exciting learning going on.

Royal Mail

Year 3 were very excited to receive a very special delivery from Kensington Palace! Each child and Mrs Bailey received a letter from Prince Harry, responding to the letters that they had sent to him before the Easter holidays. Our reason for writing to him was that he took part in an expedition to Antarctica and we were keen to find out more about his adventure, including the equipment that he took with him.

Vets and Pets Workshop

On Tuesday 30th April, Mrs Cadman and Danielle came to visit. They brought a selection of creatures for the children to explore. These included two snakes, a leopard gecko, a baby tortoise and a hamster. The children were all very brave and decided whether to touch certain creatures if they were allowed. Mrs Cadman showed the children how to apply a bandage so that it didn't come off easily. They also scanned a toy dog to locate its chip.

Sports News

On Thursday 28th March, a squad of over twenty KS2 children participated in the Cross Country event at Alsager School. During the event, there were three separate races, with the first five finishers from each school securing points for the team as a whole. Well done to everyone who took part.

Unfortunately, due to bad weather, the orienteering competition scheduled for this week had to be cancelled. We are hoping that another date will be organised in the near future. We will keep you informed.

Sports Week

Just a reminder that our sports week is the week commencing 20th May. As the weather cannot be guaranteed and we will continue with as many activities as we can, we would ask you to ensure that your child has the appropriate clothing in school.

Y4 Swimming

Year 5 are coming to the end of their swimming sessions with their last session next week. Y4 will commence their sessions on Wednesday 22nd May. Could Y4 parents please ensure that their child comes in to school with their swimming kit on that day?

Just a reminder...

As you may be aware, we have recently had our SG World signing in system updated and we now have the functionality to be able to sign children in and out of school on the touch screen in the main reception. Should children be either arriving or leaving the school premises at any time other than the beginning or end of the school day, could parents or carers please ensure that their child is signed in or out using this system?
