Dear Parents/Carers,

I would like to say a big thank you to everyone who took the time to complete our survey and give us feedback. This is used alongside the staff survey; progress and attainment data and pupil voice to help us identify development points for the school and to continue to try and offer the best provision we can – so your views are very important to the whole school community.

As you can see, you have given us overwhelmingly positive feedback which is great to see. It serves as a real celebration of the hard work by everyone who is part of our school.

Yours sincerely,

Juliet Jones
Head Teacher
