

## Holiday Homework

After the half term break, we launch a new mini topic about "People who help us".

We would love the children to make something to share, on their "Show and tell" day with this theme in mind.

Remember that "Show and tell" will start the **second week back (Monday 11<sup>th</sup> November)** as it is the first full week. Children should bring their project into school on their day. (**Monday 11<sup>th</sup> - red group**, **Tuesday 12<sup>th</sup> - blue group**, **Wednesday 13<sup>th</sup> - green group**, **Thursday 14<sup>th</sup> - orange group**, **Friday 15<sup>th</sup> - yellow group**)

Below are a few suggestions:

- Make a puppet or a prop.
- Design and label an emergency vehicle.
- Make an emergency vehicle.
- Create a model police station or hospital.
- Create a poster to show who helps us.
- Design a fact file to give information.
- Make a collaged scene or painting.

We will then display the projects in the classroom for the children to enjoy.

Have fun!

Mrs Rogers, Mrs Bailey and Mrs Thompson,
