

SATS INFORMATION

As you are aware, your child will be sitting their Key Stage 2 SAT Tests during the week commencing 11th May 2020. Below is some information regarding the tests that I hope you find useful.

Useful Revision Websites

Study Books

I would like to recommend a set of revision books to aid your child for their forthcoming SATs preparation. These revision books have been used with previous Year 6 children who have found them to be highly beneficial. They are interesting, child-friendly and extremely useful for both classroom use and homework.

Should you wish to purchase any of these useful books, you can fill in the order form on ParentMail. All order forms must be completed by 9th December as orders will be placed on the 10th December. With regard to payment, you will receive an invoice for the books on or around 10th December via email and payment can then be made via bank transfer. Alternatively should you want the books sooner they are available to purchase by using the following link and clicking KS2:

<https://www.cgpbooks.co.uk/primary-books>

If you decide not to purchase the whole set then the question books and SATs buster books (which are in-line with the new curriculum tests) are possibly the most valuable. There are other revision/workbooks available such as reading comprehension question books and handwriting. If you feel like your child would benefit from these, then please let school know so we can add them on to the order.

Please do not hesitate to contact me if you have any questions or queries. Thank you for your continued cooperation and support.

**Mr. Hancock
Class Teacher**
