

Reception Class Newsletter

What a busy week in Reception! In PE we made up our own firework dances. The children shared some fantastic ideas about how we could move in response to the music. In writing activities, the children have been practising their letter formation. In maths we have been adding and subtracting practically and using mathematical language e.g. more, less and altogether.

We began our new topic by sharing the wonderful holiday homework you have done and by looking at different hats and who wears them and why. We had lots of fun trying them on and talking about which one we liked and why.

We finished our learning about Remembrance Day, joining in with the rest of the school for a two minute silence on Monday. We also drew and painted poppies. We talked about our own memories and whether they were happy or sad.

Today, we showed our support for "Children in Need". The children enjoyed some Pudsey themed activities. It was also Anti-bullying week so we talked about friendship and how sometimes friends fall out. We talked about how children might feel if they haven't got someone to play with.

Show and Tell

Next week, we are asking everyone to bring in a special item they had when they were first born. It might be a soft toy, a rattle, blanket or piece of clothing. Your child will need to bring it in on their day. Please talk to them about their special item so they can tell us something about it.

Monday- red group, Tuesday - blue group, Wednesday- green group, Thursday - orange group, Friday- yellow

Holiday Homework

We have been very impressed with all of the 'People Who Help Us' homework sent in for 'Show and Tell' this week. The children were excited to show and talk about their individual projects. The homework looks wonderful on display around the classroom. Thank you so much for your support. Check the Reception Class homepage for this week's home learning.

Wow moments

We love hearing about all the wonderful things your children are doing. 'Wow' moments are little notes that celebrate your child's achievements. When they are sent in we share them with the class and then they go into their learning journey. A wow moment can celebrate anything you think we could celebrate such as counting, learning sounds or a swimming award. We have emailed some out with this newsletter but paper copies will go out too on Monday. Look out for them in your child's bookbag.

Super stars

Well done to Dexter and Elsa who are our stars of the week. Fantastic effort!

Well done to Dexter and Lucy who are VIP's this week. Keep up the super manners!

Mystery Reader

Next week we have our first mystery reader. Thank you to those who have volunteered so far.

Please sign up if you can.

Enjoy the weekend and we will see you all on Monday,

Mrs Rogers, Mrs Bailey and Mrs Thompson 😊
