

## Reception Class Newsletter

Another busy week has raced by in Reception. We have spent time rehearsing "Penguin Pete" ready for our performances next week. We have all enjoyed learning our special snowman dance and singing the songs. Whether we perform it for you with as much confidence and enthusiasm next week remains to be seen! Thank you so much for all the wonderful costumes you have sent in. The children were so excited to share them with us.

Yesterday, we performed our dress rehearsal for Key Stage Two and some children from Town House nursery.

This week we thought about rules and why we have them which we linked to talking about 'The Elf on the Shelf'. From what the children have been telling us, the elves that are in your houses at the moment certainly aren't following any!!

We have enjoyed lots of Christmas stories and creative activities from making our snowman themed Christmas countdown, drawing angels and making our own tree decorations.

Today we were visited by Elsa's Dad, Mr Jones, who came in to share with us some of the Science behind his job as a chef and to show us just how creative you can be with food! We were also joined by Reverend Hilton from Wesley Place as he shared with us what happens at a baptism. Many thanks for your time.

### Mystery Reader

Thanks to Kieran's Mum who was our mystery reader this week. She read 'Aliens Love Panta Clause'.

Many thanks for your time.

Although Wednesday is our usual day for mystery reader we are flexible and can arrange a day and time to suit you.

### Show and Tell

Next week 'Show and Tell' will once again be something of your child's choosing.

#### Chronicle photograph

Unfortunately we were contacted too late to let you know in last week's newsletter that the Reception Class photograph was in last weeks' edition of the paper. If you go onto their website via the link below you can view and order the photograph. It costs £6 for a colour copy which is 9"x6".
