

13<sup>th</sup> December 2019

Excalibur Primary School

Term: Autumn 2 Week: six

## Reception Class Newsletter

The children loved the opportunity to perform 'Penguin Pete' for you this week. They were extremely brave to join in and show their marvellous snowman dance. We hope you enjoyed the performances if you were lucky enough to join us. Many thanks for providing such fabulous costumes; they all looked amazing!

The children have been enjoying a "Santa's workshop" area in the classroom. This has provided the opportunity for writing letters to Santa, wrapping presents for the elves and creating Christmas cards. The children have also been busy creating Christmas angels to decorate the classroom and making Christmas cards and crackers.

In maths, we have been doing our usual counting and number recognition as well as ordering some Christmassy pictures according to size.

On Wednesday, the children were invited to wear their Christmas jumpers and enjoy a special Christmas dinner prepared by the wonderful Mrs Preen and her team. They enjoyed pulling the Christmas crackers which were on the table and listening to the jokes.

### Christmas Post

Keep sending in your Christmas cards. The children have loved receiving the ones given out so far.

### Mystery Reader

Our mystery reader this week surprised not one but two people. Dexter and Mikey's Nannie came to read a lovely Christmassy story 'Snow Bunny's Christmas Wish'. She even gave the children a little Christmas treat too.  
*Many thanks for your time.*

### Super stars

Well done to Kieran and Harper who are our stars of the week. Fantastic effort!

*Enjoy the weekend,*

*Mrs Rogers, Mrs Bailey and*

*Mrs Thompson ☺*

### Show and Tell

Next week 'Show and Tell' will again be an item chosen by your child.

### Get Well Soon

Wishing everyone who has been ill this week a speedy recovery and we hope to see you all soon.
