

20th December 2019

Excalibur Primary School

Term: Autumn 2 Week: Seven

Reception Class Newsletter

The children really enjoyed the Christmas party on Wednesday. We went down to the hall for some party games and a good dance. We talked about being a good sport and accepting that we don't always win a prize. The children were keen to win but were able to congratulate those that did. Afterwards the children enjoyed crisps, cake and a drink as a small party treat.

Super stars

Well done to Nate and Betsy who are our stars of the week. Keep up the great work!

Well done to Harry and Lissie who are the VIP's this week. Super manners!

Mystery Reader

Thank you to Theo's Mum who was our mystery reader this week.

She shared with us two yeti themed stories.

A big thank you to all of the children, parents and carers for your kind messages, Christmas cards and presents. It was not necessary but very much appreciated!

Holiday Homework

We want to find out about the tradition of Christmas in your family. Please find in your child's book bag a sheet to record your Christmas news. We will share the Christmas news during Show and Tell the first week back. We will then add the homework to your child's learning journey. You can include details about special meals, family traditions and visitors. Photos or pictures can enhance your Christmas news if you wish. Your child can either record the news with support or have it scribed by an adult.

On Wednesday to conclude our 'people who help us' topic we were visited by Red Watch from Crewe fire station. The children enjoyed trying on some special clothes, looking at the engine and squirting water across the car park! The children have been making the most of Santa's Workshop before it is transformed into something new to start our Spring term. They have also been busy completing Christmas cards and creating decorations. The Reception children have worked really hard this term and are ready for a rest!

Theatre Visit- We have begun to look ahead to our theatre visit in January. If you think your child may be slightly anxious or nervous we would be very grateful if you could let us know, then we can plan accordingly. I saw the show on Friday with my 3 year old daughter and which has provided me with first-hand experience of what the children can expect. It is going to be a fantastic experience.

Best wishes for a magical Christmas and a fantastic New Year,
