Dear Parents,

As you are doubtlessly aware, the school will be closing for the majority of children on Friday of this week. As directed by the Government, school will remain open for vulnerable groups and the children of key workers. The government is distributing the full list of key workers to the cabinet later this morning, at which point we will be seeking further information regarding the families affected.

Packs of work will be sent home with all children by Friday. In addition to this, there will be daily work set on our website under the online learning section.

These are incredibly difficult times, during which we all need to look after each other. If we can support in any way, please do not hesitate in contacting us.

We will update you when further information is available.

Yours sincerely,

Juliet Jones  
Head Teacher
