19th March 2020

Dear Parents,

Following on from my email of this morning, please be assured that we are doing all that we can to keep you fully informed. We are currently awaiting further clarification regarding school requirements around home learning and Key Workers. Although an official list has yet to be released to us, if you do think you are classed as a Key Worker, it would be helpful to know in order for us to plan the appropriate provision. I would ask that you contact the school as soon as possible, giving your name, role, organisation and whether or not you will require a school place next week.

We will keep you fully updated with all information received from the Department for Education and the Local Authority. Over the next few days, information will be cascaded through the school website and Parentmail.

I would like to take this opportunity to thank you again for your continued support during this uncertain time. Please stay safe and look after your families.

Kind regards,

Juliet Jones
Head Teacher
Excalibur Primary School
