

Place these sentences in the correct order to tell the story of The Flight of Icarus. You can use the storyboard pictures to help you. For some of the pictures there is more than one sentence so be careful.

Icarus stood on
the edge of the

Icarus was having so much fun
that he didn't hear his
father's warning to not fly too
close to the sun.

Icarus took off
into the sky.

Icarus began to feel hot
because he had flown too
close to the sun.

His father could only
watch as he fell into
the sea.

He put on his feathered
wings.

His wings melted and he
began to fall.
