Eye of the Storm

Phrase, Clause and Sentence Opener Suggestions

Peering surreptitiously through the eyepiece,

Satisfied,

Turning quietly on their heels,

Once inside the cabin,

Without deliberation,

With each additional item,

Reaching the last of the loose items,

For reasons they do not understand,

As rain begins to fall from the blackened clouds above,

Reaching for the lock on the dragon's shackles,

Once the dragon has gone,

With lengths of rope retrieved from the oak floor of the gangway,

With the mission nearly complete,

...their heavy trench coat...

...donned in their pilot's mask...

...the open furnace...

...an otherworldly light...

...the keeper of their most prized possession...
