### Four Figure Grid References

1. Use the map above to complete the table.

Symbol	Meaning	Four figure grid reference
	Campsite	0416

**Extension:** Draw your own symbols in the empty grid spaces and give the four figure grid reference.

2. Using the OS map of Cambridge in the back of the Foundations textbook, find the four figure grid reference for;

a). A campsite    b). Non-coniferous woodland    c). Telephone    d). Park and ride

3. In pairs using the OS map come up with 10 true or false statements.

### True or False? Example

In grid square 4754 there is a Park and Ride scheme, also a major road flows through the square.
