

# Blue Crab

## You will need:

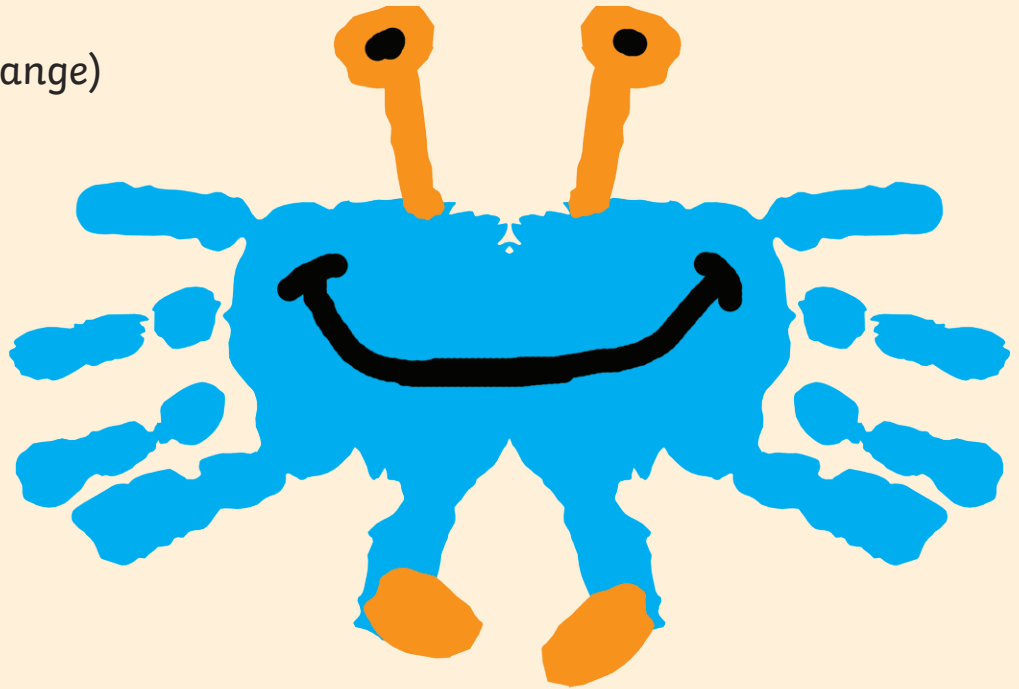

Paint (blue and orange)

A3 white paper

Paintbrushes

Black felt-tip pen

Newspaper

## Instructions

1. Spread newspaper over the work area.
2. Paint the palms of both hands, including thumbs and fingers, with blue paint.
3. Make two prints with hands pointing in opposite directions and heels of palms slightly overlapping (thumbs pointing down – see illustration).
4. Dip the tip of a finger in orange paint and draw two 'stalks' (for eyes) extending from the palm area (see illustration). Print a dot at the end of each stalk and add an eye inside each dot using the black felt-tip pen.
5. Dip the pad of your thumb in orange paint and make a print at the end of each thumbprint for claws. Draw a smile using the black felt-tip pen.
