Welcome to Year 3! I will be your teacher in September and I am looking forward to teaching you lots of exciting new things. You are now moving into Key Stage 2 which is very exciting.

I have lots of exciting learning planned for Year 3. Our first topic is going to be all about the 'Ancient Egyptians'. We will be doing lots of learning based around this topic such as finding out about key figures in the Ancient Egyptian civilisation and the importance of the River Nile for farming. It would be great if you could find out some information about the Ancient Egyptians to share in September.

I enjoy teaching all subjects but my favourite is science. I like investigating new ideas and discovering more about the world we live in. In my spare time I enjoy lots of different sports and I am a big football fan. Also, I enjoy visiting different countries and learning all about them.

Over the summer holidays I plan take my dog Lola for plenty of long walks and do lots of reading. I hope that you are going to be doing plenty of reading too and look forward to hearing all about the books that you have read.

I hope that you have a brilliant summer and I look forward to welcoming you to Year 3 in September.

From

Miss Robinson
