

Autumn Newsletter

Dear Parents and Carers,

Welcome to the new school year. We hope you have all had an enjoyable time over the summer break. We have an exciting term planned for your child and hope they will enjoy learning through the varied experiences we are going to have.

Year 4's topics and themes

This term's main topic will be based upon the Invaders and Settlers of Great Britain, including the Vikings and Anglo Saxons. Many areas of this topic will be cross-curricular through English, maths, art, history, geography, DT and computing. Further maths work will be split into five blocks: Counting; Partitioning and Calculating; Securing Number Facts and Understanding Shape; Handling Data and Measures and Calculating, Measuring and Understanding Shape. Our first science topic this term will be concerned with sound. We will be investigating the way in which sounds are created, how sounds can be changed and how we hear sounds.

Throughout the term, we will be concentrating on improving our standards of presentation, spelling and the use of language. The children will also be encouraged to read a wide range of texts both to improve their reading fluency and also for pleasure! Our first text of the year will be "The Whale" by Ethan and Vita Murrow, a beautifully illustrated picture book. I would be grateful if you could continue reading with your child for enjoyment and to ensure they are reading with understanding and fluency.

Practical Information

The year 4 start time is 9.10am when the registers will be taken; the children can be collected from the normal KS2 door at 3.35pm.

It is important for children to drink water throughout the day. Children may bring in bottles of water with a secure lid which should be taken home each night to be washed and refilled.

In order to easily identify lost property, it is really helpful if all you label all your child's belongings.

The welly stores will be reopened so that children can access the field, even in wetter weather. Please send in either a pair of wellies or an old pair of shoes for your child to wear. This footwear will need to be labelled with both forename and surname to ensure they are identifiable.

PE

PE lessons are on Wednesday and Thursday. Please ensure that your child arrives to school in their PE kit on their PE days. Children should not wear any jewellery during these lessons and all earrings must be either taken out or covered with micro-pore tape. It is also very helpful for bobbles to be brought in to tie back long hair. These can be left in drawers or can be brought in ready for the session.

Homework

- Guided reading homework will be sent home on the day of your child's guided reading session (the children will find out when this is) and is due in to be marked one week from this day.
- Spellings will be sent home on a Monday and will be tested on a Friday (a booklet of suggested activities will be provided at the beginning of the year).
- MyMaths homework will be posted online on Fridays and is due in by the following Friday.

If your child experiences any problems with their homework, they can always come and speak to us!

Please do not hesitate to contact us if you have any questions or queries.

We look forward to a fabulous year working with you and your child!

Thank you for your cooperation and support.

Yours sincerely,

Miss Taylor and Miss Hilditch
