

*I can count in multiples of 100.

Fill in the missing numbers by counting in 100s.

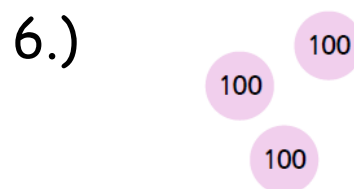

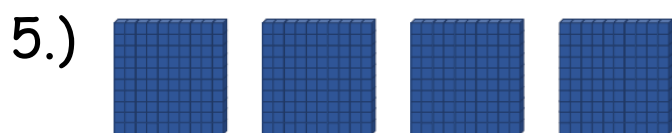

1.) 100, 200, _____, _____, 500, _____

2.) 300, _____, _____, 600, _____, 800

3.) 1000, _____, 800, _____, 600, _____

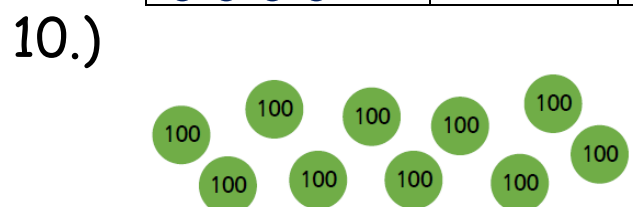

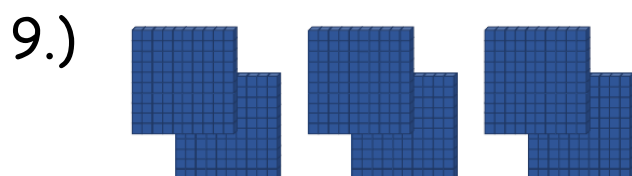

4.) 600, _____, 400, _____, 200, _____

Write how much each representation shows in your book.

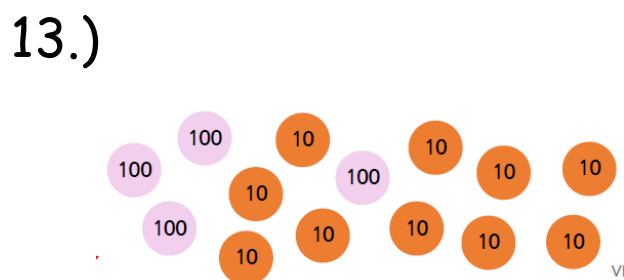

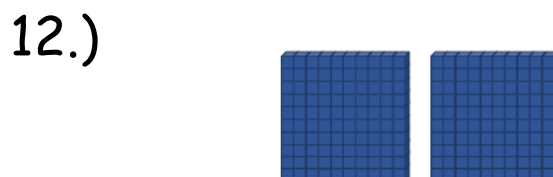

8.)

H	T	O
		

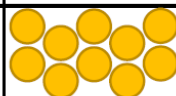

11.)

H	T	O
		

14.)

H	T	O
		

1. Find a path through the maze by counting forwards in hundreds from 100 to 1000.

Start 

900	400	900	100	600	1,000	400	300	200	100
500	500	700	200	900	600	100	600	700	800
100	1,000	400	800	500	100	700	200	500	300
800	200	600	400	200	700	200	800	400	1,000
200	600	300	700	300	1,000	700	500	900	600

 Finish
