

**\*\*New\*\***  
**Design a mug**

**\*cards\***  
**\*wrapping paper\***  
**\*gift tags\***

**This year the school will again be participating in the Christmas card project.**

The Project takes a design that your child creates and turns it into professional cards, gift wrap and gift tags. This year there is also the option to have your design printed on a mug! You then have the option to purchase these if you wish. A donation is made back to the school for each item purchased.

If your child doesn't fancy making a Christmas card, then they can make a card of their choice - birthday cards which they can then send to their friends throughout the year, 'Thank you' cards or party invitations are other suggestions.

Anyone who would like to complete a design can - teachers, parents, siblings. Children can complete more than one design – perhaps they want to create two different mugs for grandparents? Siblings or families can create a joint design if they wish.

Each child will be sent home next week with a piece of card for them to create their design on, and they will have until 16<sup>th</sup> October to do this.

Further details will be sent out next week, including hints and tips regarding what works well for designs.

The ordering process will be slightly different to previous years – full details to follow.

In the meantime if you have any questions or would like spare card for additional designs then please text or call me on 07519 979303.

Happy designing!

Helen
