

# EXCALIBUR PRIMARY SCHOOL PUPIL PREMIUM STRATEGY 2020/2021

## CONTEXT OF SCHOOL

Excalibur is a single form entry primary school with 215 pupils currently on roll. The catchment area is mixed; with mostly private and some housing association accommodation. Situated on the cusp of the county; a few of our pupils are from just outside the local authority, e.g. Stoke-on-Trent and Staffordshire local authority. We are situated in an area which is not greatly culturally diverse. Absence and exclusion figures are well below national average. Whole school attendance is currently 98% and has consistently been around this level for the last 4 years.

- Pupils claiming entitlement to free school meals is currently 8: 4%
- In receipt of pupil premium 8: 4% (of which 4 are SEND)
- 21 pupils have identified SEND: 10%, 2 pupils have an EHCP
- 111 boys: 52%, 104 girls: 48%.
- 1 pupil have English as an additional language: 0.5%.

Attainment on entry to the school is broadly in line with national age-related expectations. Children enter the school from a wide range of nursery and pre-school settings. Mobility within the school is low and the school community is stable; with more pupils joining at mid points throughout the year than leaving. Demand for places at the school exceeds provision. The overall contextual data of the school suggests that outcomes for pupils on leaving should be above national averages.

## OBJECTIVES OF PUPIL PREMIUM SPENDING

When making decisions about using Pupil Premium funding it is important to consider the context of the school and the subsequent challenges faced. Common barriers for some children can be less support at home, weak language and communication skills, lack of confidence, more frequent behaviour difficulties, mental health, and attendance and punctuality issues. There may also be complex family situations that prevent children from flourishing. The challenges are varied and there is no “one size fits all”.

In Excalibur, our key objectives in using the Pupil Premium funding are to ensure quality first teaching and widening of opportunity for all children. We are passionate about diminishing the difference between pupil groups. As a school, we have an excellent track record of ensuring that pupils make good progress. Through targeted interventions, we are working to eliminate barriers towards learning and progress and narrow any gap between pupil groups. Due to our low number of pupil premium children, we consider carefully how to best allocate the funds to ensure that it has maximum impact on outcomes

# EXCALIBUR PRIMARY SCHOOL PUPIL PREMIUM STRATEGY 2020/2021

of our children. We use careful analysis of internal data, historical attainment and progress rates together with qualitative data and robust self-evaluation to support us in deciding where and how to spend our pupil premium allocation.

The leadership team have used existing researches and publications, including those from: the OFSTED Good Practice series; “Effective pupil premium reviews” from the Teaching Schools Council; the DfE publication, Supporting the Attainment of Disadvantaged Pupils and the Teaching and Learning Toolkit from the Education Endowment Foundation. They have also consulted the following approaches when designing provision for the specific needs of this school:

- Griffith and Burns (Teaching Backwards)
- Sutton Trust (Quality First Teaching)

We understand that as a result of Covid 19, vulnerable groups have been particularly effected. In light of this, we have plans in place for remote learning which ensure engagement of vulnerable groups is a priority.

<b>NUMBER OF PUPILS AND PUPIL PREMIUM GRANT RECEIVED</b>	
Total number of pupils on roll	215
Total number of pupils eligible for pupil premium grant	8
Amount of Pupil Premium Grant received per pupil	PP - £1,320 PP+ - £1,900
Total amount of Pupil Premium grant received	£12,070,00 + C/F 3,265
<b>NATURE OF SUPPORT</b>	
Focus on learning in the curriculum	23%
Focus on social, emotional and behaviour	70%
Focus on enrichment beyond the curriculum	7%
Focus on families/community	0%
<b>TARGETS RELATING TO CURRICULUM FOCUS</b>	
PP pupils (overall) attain in line with PP pupils nationally	
PP pupils(not SEN) individual progress is at least expected
