31st December 2020

Dear Parents/Carers,

I hope that you have had a lovely Christmas break and have managed some well-deserved rest. We are looking forward to seeing the children on Monday 4th January and have lots of exciting learning in store.

As you will be aware, Cheshire East have moved in to Tier 4. We have reviewed our Risk Assessment and have updated accordingly. Please be assured that we have been working incredibly hard to ensure the school environment is safe for our whole community. We appreciate greatly the support and cooperation you have provided over the past months. In order to keep risks at a minimum, we would ask that you continue with the following precautionary measures:

- Continue to wear face coverings when you are dropping off or collecting your child.
- Adhere to the start and finish times for your child (except where there are siblings, whereby children can be dropped off at the earlier time and collected at the later time).
- Only one adult on the school grounds at drop off and collection times.
- Use the one way system around the school.

At the moment, we have increased ventilation in the classrooms which makes the school environment colder than normal. Whilst we expect the children to wear their school uniform in school, we appreciate the need for warmer clothing and you may wish to send your child in to school with an additional layer.

Please note that PE days will be the same as in the autumn term. On these days, children should come into school in their PE kit. This is slightly different for our Reception children who should have their PE kit in school and come into school each day in their school uniform. As our PE sessions will be mostly outdoors, please ensure that children have appropriately warm clothing.
