*I can use conjunctions to link ideas.

Choose a conjunction which could join the sentences together.

- 1) Emperor penguins are a type of bird _____ have wings, feathers and lay eggs.
- 2) Penguins have wings _____ they cannot fly.
- 3) Their coats are made up of four layers of feathers _____ makes them windproof and waterproof.
- 4) Male and female penguins look similar _____ the females are slightly smaller.
- 5) Penguins cannot fly _____ their wings are too small.
- 6) Emperor penguins are similar to king penguins _____ the emperors have yellow patches around their ears whereas the king penguins have orange patches.
- 7) They have thick blubber under their skin _____ keeps them warm when in the cold weather.

*and

*but

*so

*because

*that

*which

*however

You can use the conjunctions more than once.
