

Burying Dog Bones

Counting to 6, 7 and 8 Activity

Jess, the dog, loves burying dog bones in the garden. Can you draw the right number of bones on the ten-frame to show where Jess could have hidden them?

Jess buried **6** bones!

Colour one way Jess could have buried 6 bones.

Can you find another way she could bury 6 bones in the garden?

Jess buried **7** bones!

Colour one way Jess could have buried 7 bones.

Can you find another way she could bury 7 bones in the garden?

Jess buried **8** bones!

Colour one way Jess could have buried 8 bones.

Can you find another way she could bury 8 bones in the garden?
