

Varied Fluency

Step 1: Pounds and Pence

Teaching note: We recommend providing children with money to support this step.

National Curriculum Objectives:

Mathematics Year 3: (3M9a) [Add and subtract amounts of money to give change, using both £ and p in practical contexts](#)

Differentiation:

Developing Questions to support identifying the value and finding the total of up to three notes and coins. Where scaffolding for the answer is provided.

Expected Questions to support identifying the value and finding the total of notes and coins.

Greater Depth Questions to support identifying the value and finding the total of notes and coins. Some values displayed without coins. E.g. two £5 notes... Coins that are less than £1 could total more than 100p.
