

## Reception Class Newsletter

What a busy week we have had! The children loved their visit from Crewe fire station's green watch on Monday. Squirting the hose was the highlight of the visit for most children! As you can imagine, after their visit firefighter themed role play has been very popular! Our visit to Crewe on Tuesday to see the wonderful 'Tales from Acorn Wood' was another highlight. In both cases the children behaved fantastically. We are so proud of the way they conducted themselves. In other learning we have been developing our understanding of the composition of numbers 4 and 5 and investigating how these numbers can be made and represented. I will post a few ideas on Seesaw of how you can further support your child with this at home.

### A few reminders

Could we politely remind you that unless your child is absent, or we are not in school, could all RWI books and keyrings please be sent into school on a MONDAY for checking and swapping?

If your child is bringing scarfs, hats, gloves etc please could you ensure that they are named? We love playing outside so we need your child to have a set of spare clothes on their peg should they need to get changed. Don't forget to send back any clothes after your child has come home in them so they are ready if needed.

In RWI this week we have been recapping all previously taught sounds and reviewing the sounds e, z, v and k. Continual practice helps to close any gaps so if you can help by practising at home using the little green speed sounds books that will be fantastic. I will be posting some videos on Seesaw which will help your child. If you could find a few minutes to watch them with your child that would be fantastic.
