

Moksha			Truth is the only reality.			Dharma			It means liberation of the soul from the cycle of death and rebirth.			
						Karma – good and bad actions committed during one's life – affects which living thing the soul will be reborn into.						
Reincarnation			According to this belief, it is necessary to do the right thing at all times.						Truth is eternal			

[illegible]

Hinduism Main Beliefs

Use the following key words to write an explanation for the four main beliefs that Hindus share.
