

Mrs Rogers		
6		
		

Mrs Thompson		
	7	
		

Challenge 1:

If you picked out the number card below, who would win the game?

Can you explain how you know?

Mrs Rogers		
		
8		

Mrs Thompson		
		
	5	

Challenge 2:

Can you draw a picture of the number that Mrs Rogers would need to win?

Think about the number that she needs to cover.

Can you draw a different picture so that Mrs Rogers would win?

Challenge 3:

Now, can you draw a picture of the number that Mrs Thompson would need to win?

Think about the number that she needs to cover.

Can you draw a different picture so that Mrs Thompson would win?
