

Reception Class Newsletter

You're almost there... the end is in sight. You have all done an incredible job. Next week I will put together a little video of the Classroom to show the children the layout (and that it hasn't changed). Our priority on returning to school will be on settling the children back in, re-establishing the routines of the day and relationships. You might find it useful to share this story too. It's called 'Back to School'

This week ...

Has seen us thinking about wolves. We have been enjoying stories about wolves, in particular Little Red Riding Hood. You made some fantastic models and story maps that you used to retell the story. You came up with some fantastic disguises too as you tried to help Mr Wolf from being spotted quite so easily!

We continued to develop our subitising skills as we talking about noticing what we see and looking for groups of numbers that make larger numbers by asking 'What do you see and how do you see it?'. In particular we explored the composition of numbers 9 and 10 and ordered numbers to 10, correcting mistakes and competing sequences.

Next week we continue with Mr Wolf as we see what happens when he meets the 'Three Little Pigs'. We will also be exploring 3D shape and revisiting repeating patterns.

Keyworker attendance form for children attending school Week beginning 1st March

We ask again that you fill out the online form to let us know which day(s) your child will be attending school next week. Thank you to those who have filled it in for us, it has been incredibly useful when planning for the needs of the class.

Returning to school

Please get in touch if you have any particularly concerns or anxieties about the return to school. We know some of you may be feeling anxious, please try not to worry.

World Maths Day and World Book Day

These take place on the 3rd and 4th March next week. Our theme for world book day is inspirational people. Some of our learning for the day will be based on this theme.

Super stars

Well done Harry and Kyle who are our stars of the week.

We would love to choose more stars as we are so amazed by all of you!

Thank you again for your support this week,

Mrs Rogers, Mrs Thompson, Mrs Bailey and Mrs Brooker
