

Reception Class Newsletter

3 more sleeps to go until we are together again! Grown-ups you've done it! You have made it to the end of home schooling. Gold stars for everyone! Today I will upload a video of the classroom to show the children the layout (and that it hasn't changed). Our priority on returning to school will be on settling the children back in, re-establishing the routines of the day and relationships. You might find it useful to share this story too if you haven't already done so. It's called 'Back to School'

<https://www.youtube.com/watch?v=JUda5y8>

This week we have explored 3D shapes, hunting, sorting, building, printing and naming them. We found out that shapes with curved sides are trickier to build with but in the right place can look amazing. We made repeating patterns with objects, shapes, our bodies and even played them too.

We huffed and puffed like the wolf as we investigated which objects we could move by blowing, which was the best material to build a house with and how we could arrange the bricks to construct a strong brick wall.

We built and drew homes for the pigs and enjoyed versions of the story including a version whereby it is a bad pig and 3 little wolves.

Next week our story for the week will be Goldilocks and the Three Bears. We will also be concluding our 'Building 9 and 10' maths learning.

Returning to school

When you return on Monday please can you bring?

- PE kit if not already in school
- Keyring and any reading books
- Whiteboards

You can keep the pens and the 5 and 10 frames.

World Book Day

It was wonderful to hear about your favourite stories yesterday and to see all of the lovely activities that you got up to. Thank you for sharing them with us on Seesaw; from building dens, snuggling up with a good book, making bookmarks, book covers, solving book related quizzes and clues or building your own models like 'The Queen of Curve', Zaha Hadid you were certainly busy.

Super stars

Well done Henry and Callum who are our stars of the week.

We would love to choose more stars as we are so amazed by all of you!

Thank you again for your support this week,

Mrs Rogers, Mrs Thompson, Mrs Bailey and Mrs Brooker
